

E-Scooter Guidelines for Families

At Bird, we are dedicated to the safety of our communities.

To support this commitment, we urge all parents to keep these Bird guidelines in mind:

Must be of age

You must be 18 or older with a valid driver's license to ride a Bird. When unlocking a Bird, all riders must sign an agreement and scan their driver's license to confirm that they meet these requirements.

Sharing isn't caring

Similar to driving a car, lending a minor a driver's license to ride a Bird is not permitted.

Keep an eye out

If you witness underage Bird riding, please report it to hello@bird.co.

Fly safely

We urge all Bird riders to ride in bike lanes, wear a helmet, and follow the rules of the road. Local law does not permit riding on sidewalks.

Following these rules keeps our community, and most importantly, our young people, safe.
