

EXISTING EFFORTS

Arlington County has many ongoing transportation safety and safety-related programs, policies, and standards that cross multiple disciplines. Still, we know there are still opportunities to improve our programs and increase safety practices.

Which departments regularly collaborate on safety-related activities?

Engineering
Evaluation (incl. Planning)
Enforcement (incl. Policy)
Education
Engagement

	Engineering	Evaluation (incl. Planning)	Enforcement (incl. Policy)	Education	Engagement
Community Planning, Housing & Development (CPHD)					
County Manager's Office (CMO)					
Department of Environmental Services (DES)					
Fire Department (ACFD)					
Department of Human Services (DHS) – Public Health					
Parks and Recreation (DPR)					
Police Department (ACPD)					
Public Safety Communications & Emergency Management (DPSCEM)
