

PROCESS TO DEVELOP THE VISION ZERO ACTION PLAN

There are three important places in the schedule where we will be asking for your input, which we will review and use to develop the Action Plan. *(Blue boxed phases include public engagement opportunities.)*

Key Community Input Phase 1: January-February 2020

- We are currently gathering **community input and ideas** related to the draft Vision Zero goals and priorities.
- We will use your input to **revise the goals and create measurable objectives** to track future progress.
- We will develop **draft actions based on community priorities**.

Key Community Input Phase 2: May-June 2020

- We will share a list of **revised goals, objectives, and performance measures**.
- We will **gather input on draft actions** to reach the goals.
- Based on community input, we will refine the actions.

Key Community Input Phase 3: September 2020

- We will share the **draft Action Plan for your input**, which we will consider as we finalize the plan.
