

## Intent

The **Vision Zero Goals** will incorporate community priorities in order to shape the actions to be developed and implemented as part of this plan.

## Development of Draft Goals

- The draft Vision Zero goals shown below are inspired by the goals stated in the County's 2030 Master Transportation Plan (MTP) in combination with the principles of Vision Zero.
- The draft goals were crafted by staff from the County's various departments and the Vision Zero External Stakeholder Group.
- **The goals will be refined further based on your input!**

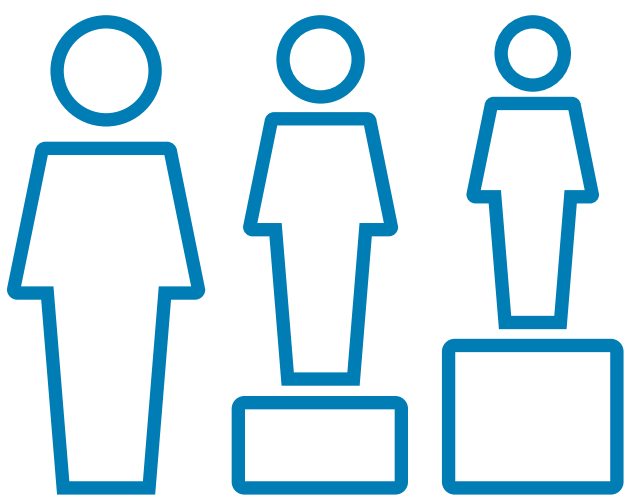

## Draft Goals

Please review the draft goals below, and then share your thoughts by completing the activity.

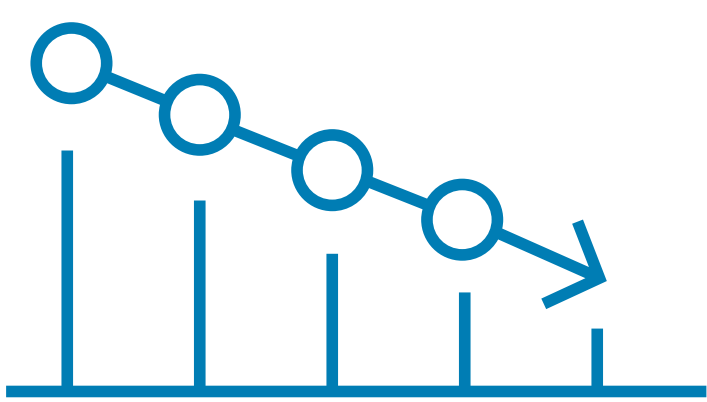

## Vision Zero in Arlington will strive to...

...ensure safe transportation, no matter how you get around.

...serve the needs of every resident, worker, and visitor equitably, in a way that meets their unique needs.

...apply data to make proactive decisions on safety.

...put safety first on County projects and policies - big or small.

...report our progress on action items and crash statistics every year.

...create a community-wide responsibility for safe transportation.
