The value of all taxable property shall be assessed as of January 1 of the tax year.

The owner of every motor vehicle, trailer, or boat taxable in the County shall file a tax return for the vehicle with the Commissioner of the Revenue sixty (60) days of the vehicle first acquiring situs or becoming taxable in the County. Such owners are required to file a new personal property tax return with the Commissioner of the Revenue within sixty (60) days of any (i) change in the name or address of the person or persons owning the vehicle; (ii) a change in the situs of the vehicle; (iii) any other change affecting the assessment of the personal property tax on the vehicle for which a tax return was previously filed; or (iv) any change in which a person acquires one (1) or more vehicles for which no personal property tax return has been filed with the County.

All taxable property for which tax returns are filed after July 15 of the tax year, but within the time required in subsection C above, shall be assessed within thirty (30) days of receipt of the filed return by the Commissioner of the Revenue, which assessment shall be certified to the Treasurer for billing without penalty and interest.

Assessments on all taxable property for which a return must be filed prior to July 15 of the tax year shall be paid on or before October 5 of each year. Taxes on all taxable property for which a tax return is timely filed after July 15 shall be paid without penalty or interest within thirty (30) days of billing by the Treasurer or by October 5 of the year for which the taxes are due, whichever date is later.

F. *Late filing and payment penalties and interest.* Any person who fails to timely file a required personal property tax return pursuant to subsection C, above, shall incur a late filing penalty of ten percent (10%) of the amount of tax assessed or ten dollars (\$10.00) whichever is greater, but not to exceed the amount of the tax, which penalty shall become part of the tax. Any person that fails to pay personal property tax on or before the date due, as provided above, shall incur a penalty of ten percent (10%) of the tax assessed or ten dollars (\$10.00), whichever shall be greater, but not to exceed the amount of the tax, which penalty shall become part of the tax due. If, after sixty (60) days from the payment due date the taxes remain unpaid in whole or in part, there shall be added to the amount an additional penalty of fifteen percent (15%) of the unpaid tax assessed. Interest at the rate specified in § 27-3 from the first day of the month following the month in which taxes are due shall be paid upon the principal and penalties of such taxes remaining unpaid.

G. *Proration or credit when taxes paid elsewhere in the Commonwealth.* An exemption from this tax and any penalties arising therefrom shall be granted prorata for any tax year or portion thereof during which the property was legally assessed to the same taxpayer by another jurisdiction in the Commonwealth, and such tax on the assessed property was paid.

Any person who moves a motor vehicle from a nonprorating locality in Virginia into Arlington County in a single tax year shall be entitled to a property tax credit in Arlington if (i) the person was liable for personal property taxes on a motor vehicle and has paid those taxes to a nonprorating locality in Virginia and (ii) the taxpayer replaced, for any reason, the original vehicle upon which taxes were paid to the nonprorating locality for the same tax year. The Arlington County Treasurer shall provide a credit against the total personal property tax assessed by Arlington County on the replacement vehicle in an amount equal to the tax paid to the nonprorating Virginia locality for the period of time commencing with the disposition of the original vehicle and continuing through the close of the tax year in which the owner incurred tax liability to the nonprorating Virginia locality for the original vehicle.
