§ 40-1. Definitions.

The following words and terms, when used in this chapter, shall have the following meanings unless the context clearly indicates otherwise:

“County Manager” means the County Manager of Arlington County, Virginia, or any of his designees.

“Hotel” means any public or private hotel, inn, apartment hotel, hostelry, tourist home or house, motel, rooming house or other lodging place within Arlington County offering lodging for four (4) or more persons at any one time, and the owner and operator thereof, who for compensation, furnishes lodging to any transients as hereinafter defined.

“Room rental” means the total charge made by any such hotel for lodging and/or space furnished any such transient. If the charge made by such hotel to such transient includes any charge for services or accommodations in addition to that of lodging, and/or the use of space, then such portion of the total charge as represents only room and/or space rental shall be distinctly set out and billed to such transient by such hotel as a separate item.

“Transient” means any natural person or individual who for any period of fewer than thirty (30) consecutive days occupies a lodging room in any hotel for which occupancy a charge is made whether such charge is paid by the occupant or by another. Transient shall also mean any natural person or individual who rents a meeting, banquet, or other hotel space for purposes other than lodging for any period of fewer than thirty (30) consecutive days. Contracting and paying for the occupancy of a lodging room or rooms for thirty (30) consecutive days or more, when the lodging room or rooms are occupied by different individuals or by different groups of individuals for fewer than thirty (30) consecutive days constitutes transient occupancy or use of the rooms and is subject to the tax provided by this chapter.
