

At-Home COVID-19 Test Kits

The tests below allow you to collect a sample for diagnostic testing at home. A diagnostic test tells you if you have a current infection by looking for parts of the virus itself. For a list of local in-person test sites, visit: <https://health.arlingtonva.us/covid-19-coronavirus-updates/covid-19-testing>.

Name of Test	Eligibility/Requirements	Collection Method	Advertised Wait Time for Results	Cost	Insurance Coverage
