

FAMILY ASSESSMENT AND PLANNING TEAM

FAPT AGENDA & GUIDE

WELCOME

- **Introduce yourself and your relationship to youth**
- **State any ground rules you would like for today's meeting**

PROGRESS UPDATE

- **Case Managers will help the family talk about the youth's history and how they are doing now**
- **Inform FAPT members how youth is doing in school, at home, interests, and what youth likes to do in their spare time**
- **The family will highlight the youth's strengths and what they have done to reach their goal(s)**

PLANNING

- **The Case Manager and family will present the services they think are best for the youth and their progress**
- **Together with the family, the team will discuss how the services will help the youth succeed towards their goals at home, in school, or in the community**

ASSESSMENT

- **FAPT members may ask questions or share suggestions with the team**
- **It's important to hear the family's voice! Here, the family may talk about how they will help their child reach their goals and treatment**
- **If the youth is new to FAPT, the team will review the youth's eligibility**

CLOSING VOTE

- **Together we will decide what services are best for the youth**
- **All participants will be given dates for the services to be funded and reviewed**
