

Treatment Foster-Care Tip Sheet

01

Assessment Level

Every child starts here and is approved for their first 60-days.

02

60-Day Mark

The “assessment” for the level of TFC is complete and FAPT reviews the recommendations.

03

Length of Approval

Non-Treatment Level = up to 12 months

Level 1 = up to 12 months

Level 2 = up to 6 months

Level 3 = up to 6 months

04

TFC Case Management

If the child does Medicaid

- The TFC Agency needs to bill through Medicaid
- If denied, the parent needs to agree it is needed and FAPT needs to approve it.

If the child does not have Medicaid

- FAPT can approve to include the assessment period.
