

# SOCIAL MEDIA SUPER HERO

**November 6, 2018- 10:00 a.m. to 2:00 p.m.**

Meet at: LOCATION TBD

Chances are you use social media to connect with your friends, but did you know it can also help save lives during emergencies? Learn more about social media, how you can responsibly use it and how it helps in times of emergencies and disasters. We'll provide hands-on demonstrations of social media tools and how you can use them to influence readiness, response, rescue and recovery in your own community. Come prepared with whatever social media accounts you have and we'll walk through the creation of your very own social media plan for emergencies.
