

**Donaldson Run Civic Association
General Membership Meeting
October 17, 2018**

Members' Preliminary Thoughts and Concerns for 26th & Old Dominion Site

- Kids' splash park
- Multigenerational park
- Concrete ping-pong/chess
- Underground changing station (for salt dome workers) with park above it
- Marymount wants lacrosse field with public/private partnership
 - What kind of soccer field – kids or NCAA?
 - Lights issue
 - Missionhurst property could be used for fields
- Compare with Oak Grove Park site (size, elements)
- Concern about Donaldson Run watershed: incorporate stormwater mitigation and other environmental standards
- Colocate mulch and salt storage facilities
- Types of surfaces to use (permeable)
- Dog park
- Community center (with roof park).
