# Agenda

---

# Upcoming Task Force Meetings (all in Rowley 127)

## March 7: Introduce Initial Concepts

- Ensure common understanding
- Obtain feedback
- Compare using initial criteria (open space, operational complexities, impact on environment, site access, neighborhood impacts)
- Determine which to eliminate and move forward for consideration

## March 21: Identification of Preferred Scenarios:

- Address additional criteria (cost estimates, phasing, interim uses)
- Address park amenities for each scenario

## March 28: Review Draft Report

## April 11: Vote on Final Report (new meeting)
