

LET'S TALK
ENDING
HOMELESSNESS

Conducted on January 22, 2020
the Point-in-Time Count is a
one-night census of people
experiencing homelessness in
Arlington

Arlington County Continuum of Care (CoC)

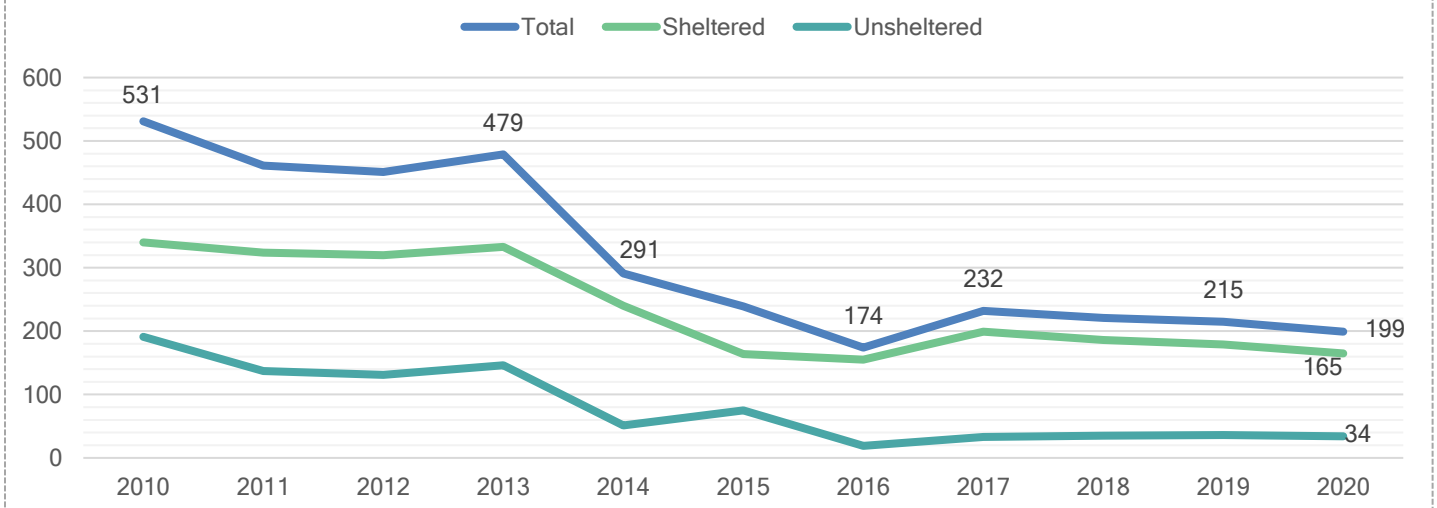

2020 Point in Time (PIT) Count Snapshot

-7%	Reduction in overall homelessness, down from 215 persons in 2019 to 199 in 2020.
-8%	Reduction in single adult homelessness, down from 146 persons in 2019 to 135 in 2020.
-7%	Reduction in family homelessness, down from 69 persons in 2019 to 64 in 2020.
-73%	Reduction in chronic homelessness, down from 74 persons in 2019 to 20 in 2020.
-70%	Reduction in veteran homelessness, down from 10 persons in 2019 to 3 in 2020.
-41%	Reduction in persons actively fleeing domestic violence resulting in homelessness, down from 27 persons in 2019 to 16 in 2020.
-29%	Reduction in Transition Age Youth (TAY), ages 18-24, experiencing homelessness, down from 14 persons in 2019 to 10 in 2020.

Met Goal
Of reducing the number of homeless persons to at or below 200 by 2020 as measured by PIT.

Point in Time Count 10 Year History

We celebrate this modest success but would be remiss if we did not address the future of homelessness as a result of COVID-19 which presented shortly after PIT. We must be intentional moving forward: safety is paramount, affordable housing is the solution and explicitly centering racial equity in the center of our work is critical.
