If the Review Board recommends designation of a historic district, it will forward, with such recommendation, proposed historic district design guidelines for the district to be considered for adoption by the County Board. Provided, however, that the Review Board may recommend that the County Board consider designation of a historic district without proposed historic district design guidelines upon a finding that taking time to develop such guidelines would present a substantial risk that historic resources proposed to be preserved by the designation would be damaged or destroyed. Where historic district design guidelines are not proposed with a recommendation for designation, the Review Board shall recommend historic district design guidelines for approval by the County Board at the earliest practicable date after designation.
