

# Planning a Public **Water Feature**?

**Before you submit any plans,**

**contact the Environmental Health Program for a consultation.**

**We permit all public pools, spas, and interactive water features.**

703-228-7400 | [ehealth@arlingtonva.us](mailto:ehealth@arlingtonva.us)

- ❁ The Environmental Health Program protects public health by ensuring water features are safely constructed and operated
- ❁ Construction and operation must comply with [Chapter 24.1, Water Recreation Facilities Ordinance](#) of the Arlington County Code
- ❁ You must submit plans for new or remodeled features prior to construction
- ❁ To ensure compliance with Chapter 24.1, contact the Environmental Health Program for a free consultation before submitting any plans
