NOTE: This permit shall expire one year from the date of issuance. Furthermore, this permit shall become invalid if the authorized work is not started within six (6) months from the date issued, and/or if the authorized work is suspended for a period of six (6) months after the time for commencing the work. This permit is not a substitute for other permits that may be required from the County, State, and Federal Government. Inspections by the County DES Inspector assigned to this permit are only for activities related to land disturbance. If the proposed flow pattern will be affected by any new features that is not part of the original approved plan (Grading, fence, and retaining wall, etc.), this permit shall become invalid.
