FEES SCHEDULE

Effective July 1st, 2019

1. There shall be no fees assessed for the permit required by the building code for the erection or alteration of a building or structure performed by or for the Washington Metropolitan Area Transit Authority in connection with the construction, alteration, repair or maintenance of bus and rapid rail system; or the Northern Virginia Regional Park Authority.

2. All fees required by this section must be paid prior to release of the permit. No permit required by the building code shall be valid until the prescribed fee has been paid to the treasurer of Arlington County.

3. A filing fee equal to thirty-five percent (35%) of the total permit fee must be paid at the time of permit application filing. The filing fee is included in the total permit fee specified in this ordinance. The filing fee amount **shall not be refunded if no permit is issued.**

4. Permit fees are calculated and collected for each permit application. When an application includes multiple buildings, a separate fee will be assessed for each building on which construction will be done under the permit as defined in the building code, or as identified by a separate mailing address.

5. **Refunds.** In case of abandonment or withdrawal of any permit or application, sixty-five percent (65%) of the fee shall be refunded to the applicant, provided that he makes a written request before the work is commenced.

If work has commenced, the applicant may return the permit with a written request for cancellation and a prorated refund of the fee shall be made based on the remaining uncompleted work; provided further that such request is made **within six (6) months** after the date the permit is issued.
