

## MOBILE STAGE

The Mobile Stage provides a safe, professional and versatile alternative to indoor events, ideal for all manner of performing arts programs, civic events and community gatherings. Whether staged in a public park, a neighborhood street or a parking lot drive-in, the Mobile Stage has a solution for your event.

### About the Mobile Stage

- The performance space is 21' deep, 24' wide, and 14' tall. Additional dimensions can be found on the spec sheet attachment.
- Two movable staircases provide easy access to the stage. Safety railings enclose three sides of the stage.
- The stage has multiple ceiling rigging points for audio, video and lighting uses. (See spec sheet attachment for weight limits.)
- A banner attachment is available for advertising events and sponsors. (See spec sheet attachment for banner dimensions and requirements.)
- Rental is inclusive of delivery, setup, strike and removal of Mobile Stage.
- Rental is for STAGE ONLY and does NOT include audio, lighting or portable generator.
- A technical crew with over 20 years of combined experience is available to consult on the planning and execution of events.

# arlington arts

## Suggested Uses

- Drive-in events: concerts, movie screenings, theater performances, public speaking engagements and more.
- Other limited capacity in-person outdoor gatherings.
- Potential locations include public parks, parking lots, public streets (subject to Special Events Permit)

## Safety and Approval

- All CDC and VDH safety guidelines must be followed. For more health and safety information please read the current guidelines for outdoor events in the state of Virginia [here](#).
- All outdoor public events must obtain a Special Events Permit. Please contact the Office of Special Events at [specialevents@arlingtonva.us](mailto:specialevents@arlingtonva.us) or visit <https://topics.arlingtonva.us/special-events-arlington-county> for more information.
