## Other Information

---

- **Public Comment:** The Tenant-Landlord Commission welcomes public comment related to Tenant-Landlord issues. Individual speakers will be accorded 3 minutes and speakers representing a group or organization 5 minutes. At the discretion of the commission time limits may be increased but the commission reserves the right to limit the total time for citizen comment." Organizations providing testimony on behalf of a landlord or tenant(s) shall provide the Commission with at least three (3) days' advance notice as to the nature of the complaint. If the organization intends to distribute documents to the Commission, the organization shall provide these documents to the Commission at least three (3) days before the Commission meeting. If an interpreter is requested/needed and the organization intends to distribute documents to the Commission, the organization shall translate the document into the language for which an interpreter is being requested or needed.
