Krishn Megg	Dilmer	
Savi Reyes	B.U. GATA	

Call to Order: The meeting was called to order by Chairperson Kirit Mookerjee.

Notes: July 2015 notes were reviewed and approved.

Citizen Comments and Questions: Ms. Faulkner came to the commissions to express her issues with Equity residential, in regards to humidity in the unit and

mold in different areas, the response from management has been unsatisfactory, and she expects them to respond to her requests.

Update on Affordable Housing Master Plan: Mr. Schroeder came to the commission to ask the commission to resend the letter of support for the Affordable Housing master Plan because there is no record of the letter. The plan is being presented to the County Board this Saturday, he provided information about the organizations that support the Master Plan and they are favorable, the working group is confident the plan will be approved. He responded to questions of the commissioners pointing out the last changes in the plan.

Update on Facilities Study: Chair Mookerjee presented the Executive Summary of the Facilities Study and gave information about the challenges encountered. The study is being presented to the County board in October. He also commented about the siting plan that is going to give the frame work.

Staff Report: Report on oncoming relocations at Clarendon Court and 1411 key Blvd. Carver Homes relocation is completed.

Meeting adjourned; the next scheduled meeting is the 3rd Wed. of October 2015, same time and location.
