

Purpose: To provide EPAC Team with update on Public Safety Strategic Framework

(Pre-decisional as of 18 JUN 2018)

Vision for Arlington County: Arlington will be a diverse and inclusive world-class urban community with secure, attractive residential and commercial neighborhoods where people unite to form a caring, learning, participating, sustainable community in which each person is important.

Adopted by the Arlington County Board January 26, 2002

Public Safety Vision - Arlington County stakeholders responds to All-Hazards disasters that ensure that Arlington is safe, well prepared, and resilient.

STRATEGIC GOALS:

- Engage Arlington County stakeholders to determine current and future public safety requirements.
- Serve as the County Commissioners principle advocate for effective policy, planning, and coordination for public safety issues.
- Strengthen community engagement to promote public safety, disaster preparedness, response, and recovery.
- Advance the Profession of Emergency Management

Public Safety Theme: Provide for a Safe and Secure Arlington
