FY 2018 CHALLENGE GRANT AWARDS

Eight organizations submitted applications to be considered for a FY 2018 Challenge Grant. Applications were reviewed and eligible amounts were verified. Awards were adjusted to distribute \$30,000 in available funds. Because grant funding levels are capped at \$10,000 for any one organization as per the FY 2018 Challenge Grant Guidelines, the recommended award for Urban Arias was reduced to reflect the \$10,000 maximum award.
