### **CHOOSING A DENTIST**

You may select the dentist of your choice. However, to get the full advantage of your Delta Dental coverage, you should choose a dentist who participates in the Delta Dental network(s) covered by your plan.

Delta Dental PPO™ and Delta Dental Premier® dentists have agreed to accept Delta Dental's plan allowance, plus any required coinsurance and deductible (if applicable) as payment in full. In addition, Delta Dental PPO™ and Delta Dental Premier® dentists will submit claims directly to Delta Dental and we will issue the payment to the dentist.

Non-Participating dentists have not agreed to accept Delta Dental's plan allowance as full payment. After Delta Dental pays its portion of the bill, you are responsible for any required coinsurance and deductible (if applicable), as well as the difference between the non-participating dentist's charge and Delta Dental's payment. Payment will be made to you.

Please visit [DeltaDentalVA.com](http://DeltaDentalVA.com) to find a participating dentist in your area.

The following chart illustrates how choosing a network dentist helps you save on out-of-pocket costs.
